EXPRESSIONS OF INTEREST: NORTHLAND HEALTH CONSUMER COUNCIL

The Northland District Health Board values the input of healthcare consumers (service users) into decision making about our health services. We are planning the establishment of a Northland Health Consumer Council. We therefore invite people to express interest in participating as a Council Member.

An invitation has been extended to a large number of organisations to forward one nomination each. The nominations will go to our selection panel who will interview a shortlist of candidates from which 10 -15 consumers will be chosen to form the Consumer Council. The definition of a consumer is, "a person who has used, has been affected by or is entitled to use the Northland health services".

The purpose of the Consumer Council is to provide a strong and viable voice for the community and consumers so that they can engage in health service planning and evaluation, to ensure services are organised around the needs and preferences of people who use them. Further detail of the purpose of the Consumer Council and the expectations of members is included in the attached Terms of Reference and Volunteer Position Description.

Volunteer consumer representatives should exhibit characteristics of maturity, reliability, the ability to earn trust and maintain client confidentiality, good listening skills and verbal communication. Members will have diverse backgrounds, contacts, knowledge and skills, and must be passionate about consumers being able to access the best possible services and care from the Northland health sector. Although appointed to reflect the consumer voice in a particular area of interest, they will not be regarded as representatives of any specific organisation or community.

Northland Health Consumer Council meetings will be held monthly and are likely to be held between 5.00pm and 7.00pm to enable people in employment to attend. Meetings will be held at District Health Board facilities and video conferencing will be available to reduce travel costs for members who are resident outside the location of meetings.

An expression of interest form is attached. These should be completed and signed by the nominee and returned by: Friday, 21st November 2014. Should you have any queries please feel free to contact Corrina Davis at Corrina.davis@northlanddhb.org.nz or Phone: 021 398 505.

Yours sincerely

An invitation has been extended to a large number of organisations to forward one nomination each. The nominations will go to our selection panel who will interview a shortlist of candidates from which 10 -15 consumers will be chosen to form the Consumer Council. The definition of a consumer is, "a person who has used, has been affected by or is entitled to use the Northland health services".

The purpose of the Consumer Council is to provide a strong and viable voice for the community and consumers so that they can engage in health service planning and evaluation, to ensure services are organised around the needs and preferences of people who use them. Further detail of the purpose of the Consumer Council and the expectations of members is included in the attached Terms of Reference and Volunteer Position Description.

Volunteer consumer representatives should exhibit characteristics of maturity, reliability, the ability to earn trust and maintain client confidentiality, good listening skills and verbal communication. Members will have diverse backgrounds, contacts, knowledge and skills, and must be passionate about consumers being able to access the best possible services and care from the Northland health sector. Although appointed to reflect the consumer voice in a particular area of interest, they will not be regarded as representatives of any specific organisation or community.

Northland Health Consumer Council meetings will be held monthly and are likely to be held between 5.00pm and 7.00pm to enable people in employment to attend. Meetings will be held at District Health Board facilities and video conferencing will be available to reduce travel costs for members who are resident outside the location of meetings.

An expression of interest form is attached. These should be completed and signed by the nominee and returned by: Friday, 21st November 2014. Should you have any queries please feel free to contact Corrina Davis at Corrina.davis@northlanddhb.org.nz Phone: 021 398 505.

The definition of a consumer is, "a person who has used, has been affected by or is entitled to use the Northland health services".

The purpose of the Consumer Council is to provide a strong and viable voice for the community and consumers so that they can engage in health service planning and evaluation, to ensure services are organised around the needs and preferences of people who use them. Further detail of the purpose of the Consumer Council and the expectations of members is included in the attached Terms of Reference and Volunteer Position Description.

Volunteer consumer representatives should exhibit characteristics of maturity, reliability, the ability to earn trust and maintain client confidentiality, good listening skills and verbal communication. Members will have diverse backgrounds, contacts, knowledge and skills, and must be passionate about consumers being able to access the best possible services and care from the Northland health sector. Although appointed to reflect the consumer voice in a particular area of interest, they will not be regarded as representatives of any specific organisation or community.

Northland Health Consumer Council meetings will be held monthly and are likely to be held between 5.00pm and 7.00pm to enable people in employment to attend. Meetings will be held at District Health Board facilities and video conferencing will be available to reduce travel costs for members who are resident outside the location of meetings.

An expression of interest form is attached. These should be completed and signed by the nominee and returned by: Friday, 21st November 2014. Should you have any queries please feel free to contact Corrina Davis at Corrina.davis@northlanddhb.org.nz or Phone: 021 398 505.

EXPRESSIONS OF INTEREST: NORTHLAND HEALTH CONSUMER COUNCIL

The Northland District Health Board values the input of healthcare consumers (service users) into decision making about our health services. We are planning the establishment of a Northland Health Consumer Council. We therefore invite people to express interest in participating as a Council Member.

An invitation has been extended to a large number of organisations to forward one nomination each. The nominations will go to our selection panel who will interview a shortlist of candidates from which 10 -15 consumers will be chosen to form the Consumer Council. The definition of a consumer is, "a person who has used, has been affected by or is entitled to use the Northland health services".

The purpose of the Consumer Council is to provide a strong and viable voice for the community and consumers so that they can engage in health service planning and evaluation, to ensure services are organised around the needs and preferences of people who use them. Further detail of the purpose of the Consumer Council and the expectations of members is included in the attached Terms of Reference and Volunteer Position Description.

Volunteer consumer representatives should exhibit characteristics of maturity, reliability, the ability to earn trust and maintain client confidentiality, good listening skills and verbal communication. Members will have diverse backgrounds, contacts, knowledge and skills, and must be passionate about consumers being able to access the best possible services and care from the Northland health sector. Although appointed to reflect the consumer voice in a particular area of interest, they will not be regarded as representatives of any specific organisation or community.

Northland Health Consumer Council meetings will be held monthly and are likely to be held between 5.00pm and 7.00pm to enable people in employment to attend. Meetings will be held at District Health Board facilities and video conferencing will be available to reduce travel costs for members who are resident outside the location of meetings.

Volunteer consumer representatives should exhibit characteristics of maturity, reliability, the ability to earn trust and maintain client confidentiality, good listening skills and verbal communication. Members will have diverse backgrounds, contacts, knowledge and skills, and must be passionate about consumers being able to access the best possible services and care from the Northland health sector. Although appointed to reflect the consumer voice in a particular area of interest, they will not be regarded as representatives of any specific organisation or community.

Northland Health Consumer Council meetings will be held monthly and are likely to be held between 5.00pm and 7.00pm to enable people in employment to attend. Meetings will be held at District Health Board facilities and video conferencing will be available to reduce travel costs for members who are resident outside the location of meetings.

An expression of interest form is attached. These should be completed and signed by the nominee and returned by: Friday, 21st November 2014. Should you have any queries please feel free to contact Corrina Davis at Corrina.davis@northlanddhb.org.nz or Phone: 021 398 505.

EXPRESSIONS OF INTEREST: NORTHLAND HEALTH CONSUMER COUNCIL

The Northland District Health Board values the input of healthcare consumers (service users) into decision making about our health services. We are planning the establishment of a Northland Health Consumer Council. We therefore invite people to express interest in participating as a Council Member.

An invitation has been extended to a large number of organisations to forward one nomination each. The nominations will go to our selection panel who will interview a shortlist of candidates from which 10 -15 consumers will be chosen to form the Consumer Council. The definition of a consumer is, "a person who has used, has been affected by or is entitled to use the Northland health services".

The purpose of the Consumer Council is to provide a strong and viable voice for the community and consumers so that they can engage in health service planning and evaluation, to ensure services are organised around the needs and preferences of people who use them. Further detail of the purpose of the Consumer Council and the expectations of members is included in the attached Terms of Reference and Volunteer Position Description.

Volunteer consumer representatives should exhibit characteristics of maturity, reliability, the ability to earn trust and maintain client confidentiality, good listening skills and verbal communication. Members will have diverse backgrounds, contacts, knowledge and skills, and must be passionate about consumers being able to access the best possible services and care from the Northland health sector. Although appointed to reflect the consumer voice in a particular area of interest, they will not be regarded as representatives of any specific organisation or community.

Northland Health Consumer Council meetings will be held monthly and are likely to be held between 5.00pm and 7.00pm to enable people in employment to attend. Meetings will be held at District Health Board facilities and video conferencing will be available to reduce travel costs for members who are resident outside the location of meetings.
