Tēnā koe [REDACTED]

Thank you for your letter requesting the below information under the Official Information Act 1982.

I refer to Hon Dr Reti's response to questions at the estimates hearing on 7 September 2024:

"My instruction to officials to manage clinical risk during the reset has been to develop a monitoring framework that includes the Ministry of Health, Health New Zealand, and Health Quality and Safety Commission."

I request under the OIA:

All correspondence and advice relating to Hon Dr Reti's instruction to officials to develop a monitoring framework on clinical risk.

All copies of the monitoring framework and correspondence which contains copies of that monitoring framework.

Your request has been transferred to Te Tāhū Hauora Health Quality & Safety Commission (Te Tāhū Hauora) for response.

We have interpreted your request as pertaining to correspondence and advice between Te Tāhū Hauora and Health New Zealand, and between Hon Dr Reti's office and Te Tāhū Hauora, regarding the development of the monitoring framework.

Te Tāhū Hauora notes that the request it received from the Minister of Health to develop the framework was made via phone call, not through correspondence.

Due to the volume of correspondence and draft iterations, these documents have not been individually itemised, however the below table gives a broad breakdown of the contents.

Other agencies may hold additional content so you may wish to extend your request to them.

Document	Description	Decision
1	Briefing HQSC MIN 2024-005 Measuring system safety and quality – a proposed approach dated 12 August 2024 (appendix withheld).	Some content withheld under s18(d)
2	Internal Te Tāhū Hauora correspondence and drafting notes.	Some content withheld under 9(2)(g)(i)
3	Correspondence between Te Tāhū Hauora and Health New Zealand and drafting notes.	Some content withheld under 9(2)(g)(i)

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Nāku noa, nā

Dr Peter Jansen
Chief Executive

Te Tāhū Hauora Health Quality & Safety Commission
