

Putting prevention first: Leadership and action on reducing healthcare associated infections workshop – 17 May 2018 –

TOPIC: Your Office is Dirty

Our one big idea

*Altering current culture in theatres to develop and improve
theatre discipline*

Main points of the conversation/emerging themes

- Putting the patient first
- Behaviour in the operating theatre as if the patient is awake i.e. conversations/eating etc.
- EBR and education to all clinicians
- Standardise expectations/protocols/policies

Ideas/questions/issues for further discussion

- Audit current practice/behaviours
- How do we find a balance? Patient/staff safety/resources/KPIS
- Use of patient experiences, make it real
- ABC rollout 'anaesthetists be clean'
