

Putting prevention first: Leadership and action on reducing healthcare associated infections workshop – 17 May 2018 –

TOPIC: Healthy workforce

Our one big idea

Ensuring healthy workforce: vaccination is current

Main points of the conversation/emerging themes

- Knowledge of vaccination status
 - individual/organisation
- Maintaining currency/database
- Promoting uptake of vaccination
 - patients, relatives, staff
- When vaccine preventable diseases present
 - fall out/follow up

Ideas/questions/issues for further discussion

- Always using correct PPE/isolation
 - following up contacts, staff
- Appropriate assessment at triage
 - Hx of vaccination (patient)
- Notification to Public Health
- What can we do better?
 - knowing our immune status
 - knowing our vaccination status
 - accessing records and maintaining them!
 - follow up – staff, patients, contacts
