

Who me - biased?

He ngākau haukume tōku?

Do you show bias against groups or individuals without even knowing it?

Understanding our bias matters.

Watch the three video modules about understanding bias in health care and learn more about yourself.

View on the Health Quality & Safety Commission website: www.hqsc.govt.nz

'It's as basic as giving a little bit more time, seeing the person before you as not just any person, showing compassion.'

- Bernadette

'I'd just like us to be treated in an open, honest way. Treated fairly and regardless of our colour, race, creed or condition.'

- Anthony and Tonia
