

Adult hospital outpatient experience survey

PROGRAMMING INSTRUCTIONS

Programming instructions are noted **[LIKE THIS]**. They show question type and any routing or visual reference information as well as indicators for piping in responses. They are not visible in the online questionnaire itself.

If nothing is shown for filter the default is all respondents and default question type is single choice.

No questions are compulsory.

Kia ora

[SHOW HEADING]

Thank you for taking part in this important survey about your recent appointment at the **[CLINIC NAME]** on **[APPOINTMENT DATE]**.

Your feedback will help us understand what went well and if there is anything that we could have done better.

The survey should take just 10 to 15 minutes to complete, depending on your answers.

Your answers are anonymous and will not be connected to you in any way. Please be open and honest in your feedback.

How to complete this survey:

[SHOW HEADING]

Going back to change an answer

Your responses are submitted as you go through the survey. You can move backwards to change your answers by clicking the “Previous” button at the bottom of the page. If you use the “Back” button on your internet browser or mobile phone and get taken out of the survey, you can return to where you were using your login code. Your earlier responses will have been saved.

Complete later

If you would like to return to your survey to complete it later, close the window and then return to the link provided in the email or text message and re-enter your login code. Your earlier responses will have been saved.

Skipping questions

You can skip any question you do not want to answer, cannot remember or that is not applicable to you. Just leave it blank and click “Next” to move to the next question.

Ready to begin?

Click on the “Next” button to begin the survey.
