

WHO “SAVE LIVES: Clean Your Hands” Campaign and WHO COVID-19 Response WHO webinar series

WHO will run a short **weekly webinar programme** to discuss infection prevention and control (IPC) and hand hygiene topics, in the context of the COVID-19 pandemic response and the WHO annual hand hygiene campaign. This is a **technical IPC series, targeted at relevant health professionals**, but it is also open to any interested party.

The provisional program agenda is as follows:

- Webinar 1: 21st April** **A model hospital for IPC and management of COVID-19 patients**
Didier Pittet, University of Geneva Hospitals, Geneva, Switzerland
- Webinar 2: 28th April** **The SARS-CoV-2 virus modes of transmission and related IPC measures**
John Conly, University of Calgary and Alberta Health Services, Calgary, Canada
- Webinar 3: 5th May** **5th May 2020: celebrating nurses and midwives for clean care at the age of COVID-19**
Benedetta Allegranzi, IPC Hub, WHO HQ
Didier Pittet, University of Geneva Hospitals, Geneva, Switzerland
- Webinar 4: 12th May** **Coronavirus infections among health care workers: what we know about COVID-19 and what we have learned from other outbreaks**
April Baller, WHO Health Emergencies, Geneva, Switzerland
Seto Wing Hong, University of Hong Kong Shenzhen Hospital, Hong Kong, China

The webinar **details** are as follows:

Dates	Every Tuesday from 21 April to 12 th May
Time	2pm central European time (CET)
Duration	1 hour
Format	30 minutes presentation and 30 minutes discussion
Meeting etiquette	Participants will be encouraged to use the chat function for introducing themselves (name, title and location) and asking questions. We ask that all participants turn off their video and place themselves on mute. The moderator will call on participants during the discussion period, and for this we ask that all participants use the ‘raise hand’ function. When given the floor, please unmute, speak clearly, but slowly and be concise. Please use the chat function to raise questions, these will be moderated and answered in real-time by colleagues. If you do not receive an answer, these will be added to a growing bank of frequently asked questions for follow up.
Recordings	Slides and audio recordings will be made available here after the webinar
Registration	To register for each webinar please go to the campaign page at SAVE LIVES: Clean Your Hands

Please promote this webinar series as widely as possible within your networks. Thank you
