Concussion Service Referral Process

Patient has concussion symptoms and requires referral to ACC concussion services

Ensure ACC45 is lodged and has concussion read code (s60)

Go to acc.co.nz and type in the ACC search bar - direct concussion referral

Email ACC7988 to the selected providers email and cc in claims@acc.co.nz

Fill out ACC7988 and ask for patients consent to send TOC (D/C summary) with the referral

Download ACC7988 and look at concussion service providers in patients discharging area (see attached list)

Give patient discharge advice - handouts and advise patient of concussion service providers contact details
