Building capacity in the maternity sector:
Perinatal and maternal mortality and morbidity

Annual Conference of the Perinatal and Maternal Mortality Review Committee

TUESDAY 23 JUNE 2015 – WELLINGTON

This conference presents perinatal and maternal mortality and morbidity data and discusses its implications for improving the quality and safety of care for mothers and babies in New Zealand.

You are invited to register for this one-day conference organised by the Perinatal and Maternal Mortality Review Committee and supported by the Health Quality & Safety Commission.

This year’s programme will include:

- New Zealand perinatal and maternal mortality as reported in the 9th annual report of the Perinatal and Maternal Mortality Review Committee
- Perinatal loss and talking to families
- Building capacity in NZ maternity system to meet the needs of women
- Rheumatic heart disease in New Zealand.

To register go to www.etouches.com/pmmrc2015
Building capacity in the maternity sector
Annual Conference of the Perinatal and Maternal Mortality Review Committee
TUESDAY 23 JUNE 2015 – WELLINGTON

Speakers include:

Suzanne Pullen – from Arizona State University, is completing a PhD in sociology to continue to research and advocate ways health care professionals can provide better support for bereaved parents. Ms Pullen will discuss perinatal loss and talking to families.

Dr Carl Kuschel – Medical Director, Neonatal Services, the Women’s Royal Hospital Victoria. Dr Kuschel will provide a critique of neonatal mortality and morbidity review in New Zealand.

Norma Campbell – Midwife, Midwifery Advisor New Zealand College of Midwives and Chair of the National Maternity Monitoring Group. Ms Campbell will provide a critique of perinatal and maternal mortality in New Zealand: a midwifery perspective.
